Liberty Hill, Texas • Crews travel nationwide

Heavy Equipment Installation | First Installs | National Rollouts

We turn the messy first install into something your crews can repeat.

■ CORE COMPETENCY

BlackBolt Industrial installs heavy indoor industrial equipment: automated and manual storage systems (**vertical carousels, vertical lift modules, custom lift units**), racking, shelving, and other heavy indoor equipment. We own the mechanical scope: **assembly, rigging, setting, leveling, and anchoring.**

■ WHAT SETS US APART: FIRST INSTALLS

When a manufacturer has a new product, we deploy the first units in the field, work out how it actually goes in, and write the install procedures and manuals so it can be repeated. Then we handle the rollout. We also fix documentation for products already in the field that lack reliable install instructions.

01 DEPLOY

first units in the field

02 WORK OUT

how it really goes in

03 WRITE

procedures, manuals

04 ROLL OUT

repeatable installs

■ SERVICES

- ▶ **New-product first installs**
- ▶ **National rollouts**
- ▶ **Overflow / subcontract installation crews**
- ▶ **Equipment relocation:** teardown, move, and reinstall
- ▶ **Installation procedure & manual writing:** assembly instructions, site-readiness checklists, field troubleshooting notes
- ▶ **Service visits & repairs** on storage equipment

■ FIELD EXPERIENCE

- ▶ Installs and relocations of vertical carousels and vertical lift modules for a leading storage equipment manufacturer
- ▶ Retail store installs at Kroger, Lowe's, and Home Depot locations
- ▶ Commercial and event facility installs
- ▶ Work completed across multiple states, including Texas, Tennessee, and Florida

■ INDUSTRIES SERVED

- ▶ **Material handling & warehousing**
- ▶ **Retail**
- ▶ **Manufacturing / fabrication**
- ▶ **Data centers** (mechanical scopes: rack setting, containment assembly)
- ▶ **Equipment OEMs**

■ HOW WE WORK

- ▶ Daily start- and end-of-day field reports
- ▶ Photo documentation of every job
- ▶ Completion paperwork with every job
- ▶ Work to the manufacturer's procedures and standards
- ▶ Small, experienced crew

■ NAICS CODE

238290 Other Building Equipment Contractors (millwright and industrial equipment installation)

■ COMPANY DATA

- ▶ **Legal name:** BlackBolt Industrial Inc.
- ▶ **Owner:** Drew Morris
- ▶ **Based in:** Liberty Hill, Texas
- ▶ **Coverage:** Nationwide; crews travel

W-9, certificates of insurance, and safety documentation available on request.
